For the period/quarter: January 1 – March 31, 2017 **Quarter 3**

Activity or Service	Activity or Service Description Major Work Plan Activities	Work Plan Count	Program Progress and Accomplishments Report the progress and accomplishments made this period on each activity.	Report Count
Administrative Activities	Provide guidance to grant staff Complete grant forms Attend required grant meetings Hire and coordinate training for new grant staff		Reviewed evaluation process with staff. Arranged for training for PA staff. Interviewed and hired additional Client Advocate.	
Outreach	Provide guidance to grant staff Complete grant forms Attend required grant meetings Hire and coordinate training for new grant staff		Continued newspaper advertising in underserved counties near our location. (Board of Directors is considering the possibility of one or two satellite offices.) Networking with area social workers for additional referrals.	
Case Management Services	Provide on-going telephone and/or office appointments for clients testing positive for pregnancy	45	Client Advocate provides ongoing office visits with clients during pregnancy and after. Phone calls are made when client is unable/fails to come for an office visit.	64

Activity or Service	Activity or Service Description Major Work Plan Activities	Work Plan Count	Program Progress and Accomplishments Report the progress and accomplishments made this period on each activity.	Report Count
Crib Distribution/ Sleep Safety Education	Enroll clients in Sleep Safely Program Provide information and education on pregnancy, infant care, and parenting Provide crib upon completion of program Deliver and assemble crib if needed	36	Continuing program from previous PA Grant. Program is well established and continues to be well received by clients. Other community agencies and former clients frequently make referrals to the crib program. Several clients who started the program last year took a break over the holidays and completed the program in January and February.	48
Employment Assistance	Enroll participants in Work Readiness Project Conduct assessment of work readiness skills Provide work station and mentoring Provide evaluation, incentive and references	32	Employment assistance started slow, but increased significantly in January. Clients have been encouraged to participate in the program from Human Services and Minnesota Valley Action Council.	108
Life-Skills Education Program	Provide educational components for program participants as needs are identified. Components may include, but not limited to, job search, job interviewing, finance/budgeting, nutrition/cooking, alcohol/drug use education, and relationships	18	All participants in the Work Readiness Project receive information on job searches, applications and job interviews. Several clients have been assisted with Social Security Disability claims and immigration issues.	40

Activity or Service	Activity or Service Description Major Work Plan Activities	Work Plan Count	Program Progress and Accomplishments Report the progress and accomplishments made this period on each activity.	Report Count
Material Support	Provide material assistance such as diapers, maternity and baby clothes, and basic housekeeping needs to pregnant and parenting women	30	The need for assistance with diapers continues to be high. Additional requests for clothing as the weather changes. Many clients expressing financial difficulties.	71
Nutrition	Provide infant formula and baby food Provide nutrition education Provide WIC and food shelf referrals	9	Client Advocates continue to stress the importance of good nutrition. Drinking appropriate beverages is emphasized. Local community still has drinking water issues (or perceived issues) and we are again making bottled water available to our pregnant clients.	23
Parenting Education	Provide parenting education with incentives as part of on-going client visits and the Sleep Safely-Baby Crib Program	35	Client Advocates provide parenting education as part of the crib program and on an ongoing basis for up to one year after birth if client requests. We keep a crib set up to demonstrate safe sleep practices.	59
Pregnancy Education	Provide pregnancy education with incentives as part of on-going client visits and the Sleep Safely-Baby Crib Program	30	Pregnancy education is a large part of our crib program. Education materials are continually being reviewed and updated as needed. The number of pregnant clients has been slightly down this quarter. Some of the clients in the crib program are post-partum and are receiving parenting education.	26
Pregnancy Testing	Provide program eligibility assessment, pregnancy counseling and testing.	3	Requests for pregnancy tests are increasing. Most are negative.	9

Activity or Service	Activity or Service Description Major Work Plan Activities	Work Plan Count	Program Progress and Accomplishments Report the progress and accomplishments made this period on each activity.	Report Count
Provide Necessary Services to all clients	Provide intake assessment to determine need. Provide women with information on, referral to and assistance with securing pregnancy support services. Utilize resource database to provide information and make referrals	12	Intake assessments are completed with all new clients and referrals are made for services to meet identified needs. When needed, Client Advocates will help with phone calls, appointments and applications. Most clients choose to participate in one or more of the services available at Options Pregnancy Center.	25
Provide Necessary Services Assessments Only	Provide intake assessment to determine need. Provide women with information on, referral to and assistance with securing pregnancy support services. Utilize resource database to provide information and make referrals	2	Intake assessments are completed with all new clients and referrals are made for services to meet identified needs. This quarter all clients chose to participate in one or more of the services available at Options Pregnancy Center.	0
Transportation	Provide gas cards or bus tokens for clients to attend Center appointments or medical appointments	4	Bus tokens and gas cards have been beneficial in helping clients keep appointments. Rural bus service has not been as accepted by our clients as first expected. More clients have been traveling to the Center from greater distances/neighboring counties.	13

Maternal and Child Health Initiative Task Force Strategies	No.
<i>Number of women who received car seats and car seat safety education from a PA funded program activity</i>	0
